Pieter V51PJ has set up a Winlink gateway. With this you can up and download emails via HF and do a host of other tasks needed for emergency communication. Please visit the Winlink website for more info.

5. Local news

The NARL and its members wishes to extend their condolences to Carsten V51CO and his family for the tragic loss of their grandson.

6. International News

Lee, DS4NMJ, and a scientific team were expected to leave on January 25th, for the new Jang Bogo Korean research station currently under construction at Terra Nova Bay, Northern Victoria Land, Antarctica.

The base will be in the Ross Dependency and near the Italian Zucchelli Station and is scheduled to open February 12th. The team, aboard the ice breaker Araon, is planning to be at Jang

Bogo by early February.

Look for activity by Lee as D8A sometime in mid-February. Lee says that he will be at Jang Bogo until January 31st, 2015.

Activity will be on 160-10 meters using mostly CW with some SSB and RTTY as well.
