1. Council News

The 2013 AGM will be held on Saturday 8th June at the Avis Riding stables at 15h00. Please note that we can no longer operate under the current conditions and that some changes will have to be made. Afterwards please take the time for a broetchen and "wors" courtesy of the NARL.

2. Repeater News

The mobile repeater and the Hams of the NARL supported the Delta Primary School big walk on Saturday with communication and support vehicles. Thank you all.

3. Monthly meetings

No monthly meeting was held in April.

4. Members Input

No Members input was received.

5. Local news

International Amateur Radio news is now available on the leagues website.

6. International News

Geomagnetic Storm on May 31-June 1

An interplanetary shock wave (possibly a CME) hit Earth's magnetic field during the late hours of May 31st, sparking a polar geomagnetic storm.

At the time of this alert, a G1-class storm is underway and solar wind conditions favour high-latitude auroras.
