

## **Bulletin**

### **5<sup>th</sup> May 2013 Bulletin**

Good Morning: - Herewith the Bulletin for Sunday, 5<sup>th</sup> May 2013. This is **Victor five one November Alpha Mike**, the official Amateur Radio Station of the Namibian Amateur Radio League, operated this morning from Windhoek by Werner, V51JP, to transmit Amateur Radio News to Radio Amateurs and all listeners on this frequency. This is a service by the Namibian Amateur Radio League, in the interest of all Radio Amateurs in Namibia. This Bulletin is broadcast on 7069 Kilo Hertz, Lower Side Band, at 08:00 local time, on the first Sunday of every Month. It will also be transmitted on 2Meters as well as 3720 Kilo Hertz, Lower Side Band and on Echo Link via V51RS-R. This bulletin is also published on the NARL website for download.

Enquiries and comments relating to the Bulletin, or the NARL, may be made on the air after the Bulletin, or by writing to:

**Namibian Amateur Radio League, P O Box 1100, Windhoek, Namibia.**

The items in today's bulletin are:

- 1. Council News**
- 2. Repeater News**
- 3. Monthly meetings**
- 4. Members Input**
- 5. Local news**
- 6. International News**

## **1. Council News**

A Date for the 2013 AGM will be announced shortly. Please note that we can no longer operate under the current conditions and that some changes will have to be made. Please think about this and contact any council member with proposals.

## **2. Repeater News**

All repeaters are functional. The 70cm repeater has some quirks and the D-Star repeater is not on the high site yet.

## **3. Monthly meetings**

No monthly meeting was held in April.

## **4. Members Input**

I have a lot of equipment that Pierre, V51PP has given to me to sell. We are planning a swap shop on the new website but details are not final how we want to do this.

## **5. Local news**

International Amateur Radio news is now available on the leagues website.

## **6. International News**

### **Book now for the SA AMSAT Space Symposium**

The next important date on the South African amateur radio calendar is the **SA AMSAT Space Symposium** to be held at the Innovation Hub in Pretoria on Saturday, 18 May.

Full details, programme and registration forms are available on [www.amsatsa.org.za](http://www.amsatsa.org.za).

Follow the fascinating story of South Africa's DynaCube satellite built by engineering interns at Denel Dynamics.

See a demonstration of the SA AMSAT CubeSat: 'KLETSkous' and learn how to build a receiver for the CPUT ZACUBE 20 metre beacon.

## **Conclusion**

This concludes the Bulletin for Sunday the 7<sup>th</sup> April 2013. Should you wish to comment on any of the items in the Bulletin, please feel free to do so after this service. This bulletin was compiled and read by Werner V51JP, as a service to all Radio Amateurs, Short Wave Listeners and Electronic Enthusiasts. Thank you for listening. This is Victor 51 November Alpha Mike, operated by V51JP, Continuing with the call in list.
